ResyOS 360

For New Restaurants

Resy is a full stack technology company for the modern restaurant. It is **built by restaurants, for restaurants**. If you're opening a new restaurant, we'd like to offer you the Resy Platform **free for twelve months**. *Year One is the hardest. **Maybe we can make it a bit easier.***

Offer

When you sign a two year contract for Resy360 (\$399/mo), you'll get the first year completely free:

- No setup fees, monthly access fees. Your first bill will show up thirteen months from the day you open.
- It'll be \$500 for setup, plus your first month's access fee.
- You're welcome to cancel at anytime. If you do, we'll bill you \$399 for any months you used the software.

What You Get

ResyOS 360, our flagship product. This includes:

- Unlimited users, device and covers
- Table and waitlist management
- Server sections, chit printing & calendar view
- Resy Notify
- Our automated SMS confirmation system
- Customizable loyalty channels
- Guest messaging and permissions
- ResyPay
